

1. In your VSI App, navigate to the Dashboard. Click on the **Settings** icon in the top right corner

2. In the popup menu, select the last option: **Reset and Clear Offline Data**.

Warning: All offline job orders will be cleared. All offline photos will be erased. **Use this option only after you sync your job orders with the server on a strong cellular or wi-fi connection.**

3. Confirm by clicking on the **Yes** button, and the reset is done.
